

# IAN HARRIS

(858)-204-1554

**I am a Web Development student currently looking for a position in the field. I am a hard worker who will show a significant understanding of my objectives and always make sure the work is done in accordance with my high standards.**

## EXPERIENCE

**DECEMBER 2016 – JUNE 2017**

**MATH TUTOR, SAN DIEGO MIRAMAR COLLEGE**

**Tutored calculus, algebra, and occasionally geometry at basic and advanced levels.**

**JUNE 2017 – DECEMBER 2019**

**TECHNICAL CONSULTANT, LAW OFFICES OF SCOTT C. HARRIS**

**My responsibility at this patent firm was to translate technical blueprints into plain and understandable English. In addition, I also handled day to day stuff in an organizational capacity, like filing for patents and maintaining the file systems. This job required a proficient understanding of technology and my knowledge of technological concepts flourished here.**
